

REMARKS

Entry of the preceding amendment is respectfully requested.

In the Notice of Allowability mailed on January 21, 2005 on the above-identified application, the Examiner made a requirement for corrected drawings. During the preparation of those drawings, it was noted that duplicate use of some reference numbers was made in the originally filed drawings. This was corrected in the drawing being submitted herewith. The preceding amendment is being submitted to bring the reference numbers used in the specification into accord with those in the corrected drawings.

Respectfully submitted,
